

ROCCA di CASTAGNOLI
dal 1730

EXTRA VIRGIN OLIVE OIL

The Rocca di Castagnoli olive trees are spread over an area of approx. 20 hectares. The altitude, between 450 and 550 m a.s.l., allows fresh microclimates and particularly favorable soil.

The organoleptic characteristics are unusually and exquisitely elegant. Gold color with greenish shades; the nose is fragrant and typical. Spicy flavor with a lingering aromatic taste and hazelnut finish.

VARIETY 100% Correggiolo
