**2006 Rocca di Castagnoli Cabernet
Sauvignon Buriano**

The 2006 Cabernet Sauvignon Buriano speaks of varietal expressiveness but with a distinctly Tuscan accent. It possesses remarkable concentration and depth in its dark fruit, spices, flowers and licorice, all supported by an unmistakable sense of Tuscan acidity and structure. A persistent, beautifully nuanced finish rounds things out in style. Anticipated maturity: 2016-2026. Importer: Montecastelli Selections, New York, NY; tel. (212) 414-4898
